

TECHNICAL DATA SHEET

Chemsolve no 11

Last revision: 06/09/2018

Product name	Chemsolve no 11
---------------------	-----------------

Product type	Water based, heavy duty, environmental friendly degreaser
---------------------	---

Properties	Water soluble cleaner, contains water softeners, sequestrants, Bio-degradable non-ionic surfactants, hydrotrope, dbsa, emulsifies, ethanolamine's, rust inhibitors, and water soluble cleaning solvents
Application	Used as a heavy duty degreaser within the industrial sector to des-oil floors, engines, hydraulic equipment and all ferrous and non-ferrous metals. Mining and workshop degreasing application. Industrial truck washing
Method	Can be sprayed on, used via high pressure cleaner, mopped-on or by scrubbing method

Advantage	Concentrated, broad spectrum degreasing. Environmental friendly, Caustic, ammonia and phenol free formulation
------------------	---

Dilution	Dilute with water, dilute to suite cleaning application
-----------------	---

Application	Product	Water min	Water max
Light duty	1	100	300
Medium duty	1	30	100
Heavy duty	1	10	25

Colour	Green	Appearance	Non viscous liquid
P.h	12	Dissolvable	In water only
Odour	Solvent	Flashpoint	N/A

Safety precaution	Protective gear	First aid	Storage
Do not ingest	-	Medical attention	Cool Storage
Avoid eye contact	Goggles	Wash with water	Avoid sunlight
Avoid skin contact	Gloves	Use cream	Keep container sealed

Other info	Chemsolve no 11 is a must have product in all industries that require a save heavy duty broad spectrum degreaser and cleaner
